## **Camp Benning and Daughters of the Confederacy Arranging Pro- gramme of Exercises.**

Columbus, Ga., January 14.—(Special.)—The birthday anniversary of General Robert E. Lee will, as usual, be celebrated in Columbus this year. Interesting exercises are being arranged for January 19th, under the auspices of Camp Benning and the Daughters of the Confederacy. Camp Benning holds a meeting tomorrow night, at which the old soldiers will prepare for the occasion. It is planned to have as many of the school children as is possible present at the exercises, as it is wished to teach them about the greatness and genius of the south's great general, and invitations have been extended to the higher grades of the public schools to attend in a body.
